Work Experience

Ubisoft Toronto

UX Design Intern   **May - Dec 2020**

Worked on Far Cry 6, led the tutorialization of the game's core features, including content and visuals to show players.

Built layouts & wireframes for various game features.

UI Artist Intern   **June - August 2019**

Worked on Far Cry 6 to design and implement iconography and artwork for various HUD elements.

BlueFlower Media

Graphic Designer   **Sep - Dec 2018**

Designed logos and branding for various startups, created custom packaging for a local pizza company and took charge in redesigning the BlueFlower Media website.

Extracurriculars

UTSG Tamil Student's Assocation

Promotions Coordinator   **Sep - Dec 2018**

Redesigned the logo, created posters and a range of other promotional material leading to several sold-out events.

iGEM Toronto

Graphics & Wiki Designer   **Jun - Nov 2017**

Successfully rebranded the iGEM Toronto team and led the design of the 2017 iGEM project wiki, helping secure a bronze medal in the annual competition.
